

It is possible to extend and broaden our five faculties of sight, hearing, touch, taste, and smell, to embrace psychic dimensions (beyond reliance on physical forms) and collective/spiritual realms (grander realities, the larger view).

The following chart clarifies what I mean by faculty extensions. Notice what happens to intuition and perception once our faculties extend and broaden:

FACULTY EXTENSIONS

Physical Faculty	Psychic Extension	Collective and/or Spiritual Extension
See/Sight	See without use of eyes; research term - "clairvoyance."	Vision
Hear/Sound	Hear without presence of sound; research term - "clairaudience."	Music
Feel/Touch	Feel, or have an effect on an object, without touching; research term - "psychokinesis."	Art
Taste/Flavor	Flavor without use of tastebuds; research term - "clairgustation."	Discernment
Smell/Scent	Odor without use of nose; research term - "clair-olfaction."	Integrity
Sense/Intuition	Aware without or in advance of recognition; research term - "clairsentience."	Grace
Perceive/Perception	Apprehend without or in advance of physical stimuli; research term - "precognition."	Knowing
